Dr. Chanintorn Jittawiriyakoon  
Dean  
Graduate School of eLearning (GSeL)  
Assumption University  
Bangkok, Thailand

First, let me wish all researchers and contributors to eJIR a very happy New Year 2016. This new year of 2016 also coincides with the publication of Assumption University-eJournal of Interdisciplinary Research (AU-eJIR). This brand new peer-reviewed online journal aims to promote original research and cultivate fruitful dialogues among academics, researchers and graduate students.

On this auspicious occasion of the commissioning the first edition of AU-eJIR I must congratulate the contributors from various countries. It is quite encouraging to see that we have faculty, researchers and students sending their papers to us from USA to Vietnam.

I wish all the success and glory to GSeL as well to the Managing Editor for undertaking this new venture.

Assistant Professor Chanintorn Jittawiriyakoon, D.Eng.
